*We suggest sending enough t-shirts for your child to change half way through the day. It can get hot and sweaty running around, or they may get wet and need dry clothes!

**All medication must be turned in to the camp nurse upon check in.

***You may use either blankets or a sleeping bag, but we strongly suggest packing a sheet to cover the mattress. Bunks tend to be extra-long in length so a fitted sheet should be extra-long length (typical for college dorms) or use a non-fitted sheet.

Note: This is camp! Clothes may get dirty during various activities throughout the week. Please send some shorts and shirts that you don't mind getting dirty. For the same reason, we suggest sending a pair of older gym shoes.

What Not To Bring

All non-approved items will be confiscated at the discretion of camp staff and returned at the end of the week.

- Perishable items
- Unsealed / non-packaged food
- Valuables (jewelry, money, etc.)
- Electronics (iPods, MP3 players, laptops, game systems, cell phones, etc.)
- Cell phones! (in case you missed it in the list above... all cell phones will be confiscated and held by counselors until the end of the week. If parents need to contact a camper, please get the phone number of your child's counselor at check in)
- Revealing clothing: Parents, please help out with this one. We ask that both boys and girls dress modestly (including bathing suits, shorts / skirts, cut of shirts, etc.)
- No weapons, fireworks, or other items that may cause harm or danger
